Food Processing Areas

WATER RESISTANT WALL CARE PUTTY

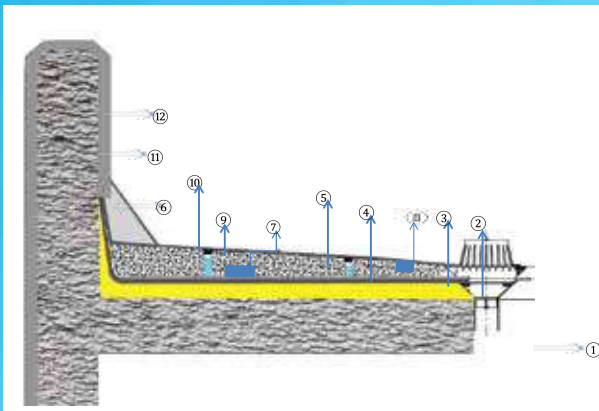

Interior PVA Wall Primer

Exterior Latex Wall Primer

- ▶ Higher polymer content Wall care putty
- ▶ Excellent adhesion to plaster
- ▶ Excellent water resistant
- ▶ Excellent workability
- ▶ Never peel off
- ▶ Never cracks
- ▶ Much stronger than any other wall care putty
- ▶ Very low paint consumption
- ▶ Excellent surface finishes
- ▶ Durable and long lasting
- ▶ Easy to apply
- ▶ Extra white

COMBO ROOFING WATERPROOFING SYSTEM

CONCRETE/METAL WATERPROOFING & HEAT INSULATIONS

Multi Component Spray Polyurethane Foam Waterproof suitable for waterproofing on:-

- Recommended for metal, fiber and concrete roof surfaces
- Specially formulated for external waterproofing
- Waterproofing between the structural slab and concrete topping of roofing system .
